5. Replication

Per NC Administrative Code 16 NCAC 06G .0512, the State Board of Education (SBE) may, in certain well-defined instances, grant permission for a non-profit corporation board of directors (board) to replicate either its own successful model or to employ an educational management company (EMO) or a charter management organization (CMO) to replicate a successful model currently being operated under the management of the EMO or CMO. The SBE may also, in certain well-defined instances, grant permission for a non-profit corporation board to "fast track" such a replication by foregoing the planning year normally required for newly-approved charter applicants.

If applying for a replication, please review the following definitions and continue in this section.

- (1) "Charter school model" or "model" mean the mission as defined in the charter application and function of a charter school, including its governance, its curriculum, its organizational structure, its targeted population, and other key characteristics of the school, such as small class size, thematic academics, and extended day.
- (2) "Successful model" means a charter school model that meets the eligibility requirements in Rule .0513 of this Section.
- (3) "Replication" means the act of copying, recreating, or repeating, a successful charter school model. A "replication" requires the utilization of one charter school "model" to form the creation of a new charter school.
- (4) "Fast-Track Replication" is a special form of replication in which the approved applicant foregoes the planning year required of new charter school applicants.

Q63. Please provide the name and the state of the charter school being replicated under Fast-Track.

Q64. Fast Track Replication Eligibility Criteria

Per General Statute § 115C-218.3 (https://www.ncleg.gov/EnactedLegislation/Statutes/HTML/ByChapter/Chapter_115c.html), the fast-track replication process adopted by the State Board of Education shall, at a minimum, require a board of directors of a charter school to demonstrate one of the following in order to qualify for fast-track replication:

(1) The board of directors operates charter schools and can demonstrate both of the following: a. The majority of charter schools in this State governed by the board of directors has student academic outcomes from the three prior school years that are equal to or greater than the student academic outcomes in the local school administrative unit in which each charter school is located. b. The board of directors can provide three years of financially sound audits for each school it governs. (2) The board of directors agrees to contract with an education management organization or charter management organization that can demonstrate both of the following: a. The majority of the charter schools in this State managed by the organization has student academic outcomes from the three prior school years that are equal to or greater than the student academic outcomes in the local school administrative unit in which each charter school is located. b. The organization can provide three years of financially sound audits for each school it governs. Applicant: Please confirm that you understand the eligibility criteria outlined above.

Yes

No

Q65. Attach as Appendix A3.1 Replication Educational Outcomes - for the replicated school for the last three academic years. Applicant must show that the majority of charter schools in this State governed by the board of directors has student academic outcomes from the three prior school years that are equal to or greater than the student academic outcomes in the local school administrative unit in which each charter school is located. If partnering with an EMO or CMO, the applicant must show that the majority of the charter schools in this State managed by the organization has student academic outcomes from the three prior school years that are equal to or greater than the student academic outcomes in the local school administrative unit in which each charter school is located.

6. Alternative

*A charter school meeting the eligibility criteria set forth in this policy and seeking designation as an “alternative school” must submit an application to the Office of Charter Schools describing in detail the school’s mission as it relates to the request for the designation; the criteria the school plans to use that will meet the eligibility requirements set forth below, including the documentation the school will use to support its admissions process; how the school intends to serve the select population, educationally and otherwise; and the goals the school is setting for academic achievement for this population. The application must also include an admission plan that is well-defined and specifically limited to serving at-risk students as described in the application. A plan that is not well-defined will not be approved.

*The school must, in its application, designate which of the alternative accountability options it is requesting under ACCT-038 (<https://simbli.eboardsolutions.com/ePolicy/policy.aspx?PC=ACCT-038&Sch=10399&S=10399&C=ACCT&RevNo=1.02&T=A&Z=P&St=ADOPTED&PG=6&SN=true>). The option selected, if approved, cannot be changed except at the time of renewal (as outlined in CHTR-020.III (<https://simbli.eboardsolutions.com/ePolicy/policy.aspx?PC=CHTR-020&Sch=10399&S=10399&C=CHTR&RevNo=1.02&T=A&Z=P&St=ADOPTED&PG=6&SN=true>)).

Q68. Do you want your application to be considered for an Alternative Charter School?

- Yes
- No

Q69. Does your proposed school meet the minimum criteria below? In order to qualify for designation as an “alternative school” for purposes of accountability under this administrative code (16 NCAC 06G .0518 (<http://reports.oah.state.nc.us/ncac/title%2016%20-%20education/chapter%2006%20-%20elementary%20and%20secondary%20education/subchapter%20g/16%20ncac%2006g%20.0518.pdf>)), the charter school must demonstrate that it serves a student population as follows:

- The school must include grades 9-12.
- At least 75% of the school’s population in grades 9-12 must be at-risk of academic failure as defined in 16 NCAC 06G .0518 (<http://reports.oah.state.nc.us/ncac/>)

[title%2016%20-%20education/chapter%2006%20-%20elementary%20and%20secondary%20education/subchapter%20g/16%20ncac%2006g%20.0518.pdf](#)) and must also meet one or more of the following:

1. the students shall either be released from a juvenile justice facility within the last year, or otherwise be subject to and participating in the juvenile justice court;
2. the students shall be currently served by a treatment facility licensed pursuant to Chapter 122C of the General Statutes, or have been discharged from such a facility within the last year;
3. the students shall be currently under suspension for more than 10 days from a public or private school; or
4. the students shall be high-school dropouts as defined in Subparagraph (a)(2) of this Rule; or be "Student Chronic Absentee(s)" as defined in 16 NCAC 06E .0106.

8. Remote Academies

§ 115C-218.120(a). Remote charter academies.

A charter that includes a remote charter academy may do any of the following:

- (1) Provide only remote instruction to enrolled students served by the charter in accordance with this Part.
- (2) Provide remote instruction to students enrolled in the remote charter academy and provide in-person instruction to other students served by the charter.
- (3) Provide enrolled students both remote instruction and in-person instruction. **A student who receives more than half of the student's instruction through remote instruction shall be classified as enrolled in the charter's remote charter academy.**

Q85.

Is the school you're applying to create a remote charter academy?

- Yes
- No

Q86. **Indicate which status is appropriate for the Remote Academy application.**

- FULL VIRTUAL -- Full virtual: the school has no physical building where students meet with each other or with teachers, all instruction is virtual.
- FACE VIRTUAL -- Virtual with face-to face options: the school focuses on a systematic program of virtual instruction but includes some physical meetings among students and teachers.

Q87.

If applying as "FACE VIRTUAL", please indicate the appropriate option:

Please note: (A student who receives more than half of their instruction through remote instruction, shall be classified as enrolled in the remote charter academy.)

- The school will provide remote instruction to students enrolled in the remote charter academy AND provide in-person instruction to other students served by the charter.

- The school will provide enrolled students with BOTH remote instruction and in-person instruction.

Q88.

If “FACE VIRTUAL” is selected, where will the physical meetings/instruction take place? Please provide street address, if known. If unknown, provide county and potential zip codes.

Q89.

Which of the following enrollment areas will the remote charter academy use to to enroll students?

- A statewide remote charter academy that admits students in accordance with G.S. 115C-218.45
- A regional remote charter academy that, notwithstanding G.S. 115C-218.45(a), admits students only from the county in which the charter school facility is located and the counties of the State geographically contiguous to that county.

Q90. Indicate which grade levels the proposed remote academy will serve. [115C-218.120(c)]

- Kindergarten
- 1st
- 2nd
- 3rd
- 4th
- 5th
- 6th
- 7th
- 8th
- 9th
- 10th

- 11th
- 12th

Q91.

Pursuant to H259-2023, remote academies are required to meet the following requirements to operate.

Please confirm, by selecting each box below, the applicant understands the following enrollment requirements must be met by the remote academy § 115C-218.121:

- All students enrolled in the remote academy must have parental consent.
- A Board of Directors shall require an admissions application to secure parental consent prior to enrollment of a student in a remote academy.
- A remote academy must identify characteristics for successful remote learning and establish criteria for admittance to a remote charter academy and must make that information available to parents.
- A student may not be denied admission to the remote academy solely on the basis that the student is a child with a disability.
- Students with a disability that are admitted to the remote academy must have an IEP team that plans for successful student entry and the provision of accommodations necessary to provide for a free and appropriate public education.

Q92.

Pursuant to H259-2023, remote academies are required to meet the following requirements to operate.

Please confirm, by selecting each box below, the applicant understands the following must be provided to students in the remote academy § 115C-218.122:

- Any hardware or software needed to participate in the remote academy is provided by the school.
- Access to a learning management platform that enables monitoring of student performance and school-owned devices, as well as allows video conferencing and supervised text-based chat for synchronous communication is provided.

- Access to the internet that is available during instructional hours, evenings, and weekends.
- Technical support during instructional hours.
- Adaptive or assistive devices, transportation, and in-person services as required by the program or plan are provided for children with an individualized education plan (IEP).

Q93. Please confirm, by selecting each box below, the applicant understands the following requirements must be met by the remote academy:

- The remote academy does not charge rental fees for hardware or software.
- If students are charged damage fees for use or abuse of software, it must be clearly outlined in the local board policy.
- The remote academy satisfies the minimum required number of instructional days or hours for the school calendar through remote instruction.
- All employees of the remote academy meet the same licensure and evaluation requirements as required for in-person employees of the local school administrative unit.

Q94. Please confirm, by selecting each box below, that the applicant understands the remote academy must have sufficient staff in the following roles:

- Instructional Technology Facilitator 115C-218.122(d)(1)
- School Library Media Coordinator 115C-218.122(d)(2)
- Data Manager 115C-218.122(d)(3)
- Remote technicians to provide technical support throughout the instructional day 115C-218.122(d)(4)

Q95. How will the remote academy monitor enrollment?

Q96. How will the remote academy monitor calendar compliance?

Q97.

How will the remote academy monitor daily attendance?

Note: Remote Academies are subject to policies outlined in the NC School Attendance and Student Accounting Manual and NC State Board of Education policies.

Q98.

How will the remote academy monitor course credit accrual, progress toward graduation (if applicable), and course completion? (Required if RA serves grades 9-12)

Q99.

List the hardware and software that students will need to participate in the remote academy.

Q100.

Please indicate which learning management platform the remote academy will use to deliver synchronous and asynchronous instruction. If the platform the remote academy is using is not listed, please select 'Other' and provide the name.

- Canvas
- SeeSaw
- Haiku
- Blackboard
- Google Classroom
- Moodle
- Schoology
- Other

Q101.

Provide the source of online content for each grade level and subject area. Use the

following format to complete your answers:

- Grade Level, Subject Area- Content Source
- Examples
- 1st Grade, ELA/Reading - EdMentum
- 3rd Grade, Social Studies & Science- Teacher-created

Q102.

How will learning take place synchronously and asynchronously?

Q103.

What measures will be used to ensure that synchronous and asynchronous remote instruction support learning growth that continues towards mastery of the standard course of study?

Q104.

Describe the professional development that will be provided to those teaching in the remote academy related to the pedagogy of providing remote instruction.

Q105.

What are the criteria for admission to the remote academy?

Q106.

What are the identified characteristics for successful remote learning in the remote academy?

Q107.

Describe all training and/or resources that will be provided as an orientation for students to encourage success.

Q108.

How will information about remote academy admission requirements be communicated to parents and guardians?

Q109.

How will information about the characteristics of successful remote learning be communicated to parents and guardians?

Q110.

Describe any school nutrition services provided to students.

Q111. Describe any transportation services provided to students.

9. Mission Purposes, and Goals

9.1. Mission and Vision

The mission and vision statements, taken together, should:

- Identify the students and community to be served;
- Illustrate what success will look like; and
- Align with the purposes of the NC Charter School Law.

Q112. Please state the mission statement of the proposed charter school (35 words or less)

- The mission statement defines the organization's purpose and primary objectives, describing why it exists.
- The mission statement should indicate in measurable terms what the school intends to do, for whom, and to what degree.

Q113. Please state the vision statement of the proposed school.

- What will the school look like when it is achieving the mission?
- The vision statement outlines how the school will operate and what it will achieve in the long term.

Q114. **Educational Need and Targeted Student Population of the Proposed Charter School** Does the school plan to provide services to certain targeted subgroup(s), if so please explain? Provide a description of the Targeted Population in terms of demographics. In your description, include how this population will reflect the racial and ethnic composition of the school system in which it is located. Additionally, how it will reflect the socioeconomic status of the LEA, SWD population, and MLL population of the district? See G.S. 115C-218.45(e) (https://www.ncleg.net/EnactedLegislation/Statutes/PDF/BySection/Chapter_115C/GS_115C-218.45.pdf).

Q115. What are the enrollment trends and academic performance outcomes of surrounding schools in the selected community? What elements of your educational model will meet the needs of your target student population?

Q116. What will be the total projected enrollment at the charter school and what percentage of the Average Daily Membership (ADM) does that reflect when compared to the Local Education Agency (LEA) of the same offered grade levels? (i.e. If the proposed school will be grades 9-12, only compare the total enrollment to the total enrollment of the LEA in grades 9-12).

Q117. Summarize what the proposed school will do differently than the surrounding schools serving the same population of students. What will make this school unique and more effective than the currently available public-school options?

Q118. Describe the relationships that have been established to generate support for the school. How have you assessed demand for the school? Briefly describe these activities and summarize their results

Q119. **Attach Appendix A: Evidence of Community/Parent Support.**

- Provide evidence that demonstrates parents and guardians have committed to enrolling their children in your school.
- You must provide evidence through a narrative or visual of this educational need through survey data, or times and locations of public meetings discussing this proposed charter school.
- (Please do not provide more than one sample survey form).

9.2. Purposes of the Proposed Charter School

Q120. Select one or more of the six legislative purposes the proposed charter will achieve, as specifically addressed in the NC charter school statute GS 115C-218, and the proposed school's operations. The Six Legislative Purposes of a Charter School are:

- Create new professional opportunities for teachers, including the opportunities to be responsible for the learning program at the school site.
- Hold schools accountable for meeting measurable student achievement results.
- Provide parents and students with expanded choices in the types of educational opportunities that are available within the public-school system.
- Improving student learning.
- Increasing learning opportunities for all students, with a special emphasis on at-risk or gifted students.
- Encourage the use of different and innovative teaching methods.

Q121. Provide a brief narrative to coincide with each applicable legislative purpose(s).

9.3. Goals for the Proposed Charter School

Q122. Provide specific and measurable goals for the proposed school for the first 5 years of operation outlining expectations for the proposed school's operations, academics, finance, and governance. Address how often, who, and when the information will be communicated to the governing board and other stakeholders.

Q123. How will the governing board know that the proposed public charter school is working toward attaining their mission statement?

10. Educational Plan

10.1. Instructional Program

Q124. Provide a detailed description of the overall instructional program of the proposed charter school, including:

- major instructional methods
- assessment strategies, and
- explain how this instructional program and model meet the needs of the targeted student population

Q125. Will the proposed charter school serve a single-sex student population?

- Yes
- No

Q126. What is the objective of the single-sex charter school?

Q127. How is the charter school's decision to limit admission to a single sex related to that objective?

Q128. What facts support the charter school's determination that limiting admission to a single sex will help it achieve its objectives?

Q129. Curriculum and Instructional Design Describe the basic learning environment (e.g., classroom-based, independent study), including class size and structure for each grade span (i.e. elementary, middle, high) the school would ultimately serve.

Q130. Identify how this curriculum aligns with the proposed charter school's mission, targeted student population, and North Carolina Accountability Model. Provide evidence that the chosen curriculum has been successful with the target student population, how the plan will drive academic improvement for all students, and how it has been successful in closing achievement gaps.

Q131. Describe the primary instructional strategies that the school will expect teachers to master and explain why these strategies will result in increased academic achievement for the targeted student population for each grade span (i.e. elementary, middle, high) the school would ultimately serve.

Q132. Explain how the proposed instructional plan and graduation requirements will ensure student readiness to transition from grade to grade and to the next grade span upon program completion.

Q133. Describe in a brief narrative how the yearly academic calendar coincides with the tenets of the proposed mission and education plan.

Q134. Describe the structure of the school day and week. Include the number of instructional hours/minutes in a day for core subjects such as language arts, mathematics, science, and social studies. Note the length of the school day, including start and dismissal times. Explain why the school's daily and weekly schedule will be optimal for student learning.

Q135. Describe a typical day for a teacher and a student in the school's first year of operation.

Q136. Will this proposed school include a high school?

- Yes
- No

Q137. **High School Graduation and Post Secondary Readiness** Describe how the proposed charter school will meet the Future-Ready Core requirements.

Q138. Provide details on how the students will earn credit hours, how grade-point averages will be calculated, what information will be on transcripts, and what elective courses will be offered.

Q139. Explain how the graduation requirements will ensure student readiness for college or other postsecondary opportunities (trade school, military service, or entering the workforce).

Q140. Explain what systems and structures the school will implement for students at risk of dropping out and/or not meeting the proposed graduation requirements.

Q141. **Attach Appendix C: 9-12 Core Content Electives** Provide a visual description of what courses (both core content and electives) will be offered at the charter high school to ensure students meet the proposed charter school's graduation requirements. Please

ensure the projected staff and budget aligns with the course offerings.

10.2. Special Populations and "At-Risk" Students

Q145. Explain how the school will identify and meet the learning needs of students who are performing below grade level and monitor their progress. Specify the programs, strategies, and supports you will provide for these students.

Q146. Describe the extent to which one or more of the founding board members has experience working with special populations (students with disabilities, students with 504 Plans, MLs, students identified as gifted, and students at risk of dropping out). If no founding board members have experience working with special populations, describe the school's pre-opening plan to prepare for special populations.

Q147. Explain how the instructional plan and curriculum will meet the needs of Multilingual Learners (ML), including the following:

1. Methods for identifying ML students (and avoiding misidentification).
2. Specific instructional programs, practices, and strategies the school will employ to ensure academic success and equitable access to the core academic program for ML students.
3. Plans for monitoring and evaluating the progress and success of ML students, including exiting students from ML services.
4. Means for providing qualified staffing for ML students.

Q148. Explain how the school will identify and meet the needs of gifted students, including the following:

1. Specific research-based instructional programs, practices, strategies, and opportunities the school will employ or provide to enhance their abilities.
2. Plans for monitoring and evaluating the progress and success of gifted students; and means for providing qualified staffing for gifted students.

10.3. Exceptional Children

The public charter school cannot deny admission to any child eligible for special education services as identified under the federal legislation *Individuals with Disabilities Education Improvement Act (IDEA)*, *IDEA regulations*, and *Article 9 115C of the North Carolina General Statutes, North Carolina Policies Governing Services for Children with Disabilities*. **All public schools are responsible for hiring licensed and 'highly qualified' special education teachers pursuant to law.** Public schools are required to provide a full continuum of services to meet the unique needs of ALL students with disabilities.

Q149. Identification and Records Explain how you will identify students who are enrolled within the charter school that have previously been found to be eligible for special education services or are protected under Section 504 of the Rehabilitation Act.

Q150. Provide the process for identifying students who may be eligible for special education services as identified in the federal 'Child Find' mandate. Be sure to include how student evaluations and assessments will be completed. Include how the school will avoid misidentification of special education students.

Q151. Provide a plan detailing how the records of students with disabilities and 504 Accommodation plans will be properly managed, including the following:

1. Requesting Records from previous schools
2. Record Confidentiality (on-site)
3. Record Compliance (on-site)

Q152. Exceptional Children's Programming Explain how you will meet the learning needs of students with mild, moderate, and severe disabilities in the least restrictive environment possible.

Q153. Describe the specific educational programs, strategies, and additional supports the school will provide to ensure a full continuum of services for students with disabilities. How will the school ensure students' access to the general education curriculum?

Q154. Describe the methods and support systems that will be in place to ensure students with disabilities receive a Free and Appropriate Public Education (FAPE).

Q155. Describe how implementation of the Individualized Education Plan (IEP) will be monitored and reported to the student, parents, and relevant staff.

Q156. Describe the proposed plan for providing related services and to have qualified staffing adequate for the anticipated special needs population.

10.4. Student Performance Standards

Q157. Describe the student performance standards for the school as a whole.

Q158. Explain the use of any evaluation tool or assessment that the proposed charter school will use in addition to any state or federally mandated tests. Describe how this data will be used to drive instruction and improve the curriculum over time for the benefit of students.

Q159. Explain the policies and standards for promoting students, including students with special needs, from one grade level to the next. Discuss how and when promotion criteria will be communicated to parents and students.

Q160. Provide the public charter school's exit standards for graduating ALL students. These standards should set forth what students in the last grade served will know and be able to do. Be sure to include plans for students at risk of dropping out.

10.5. School Culture and Discipline

Q161. Describe the culture or ethos of the proposed school. Explain how it will promote a positive academic environment and reinforce student intellectual and social development.

Q162. Explain how you will create and implement this culture for students, teachers, administrators, and parents starting from the first day of school. Describe the plan for acculturating students who enter the school mid-year.

Q163. Provide a brief narrative that delineates how student conduct will be governed at the proposed charter school and how this plan aligns with the overall mission and proposed Education Plan of the charter school. Be sure to include:

1. Practices the school will use to promote effective discipline.
2. A preliminary list and definitions of the offenses which may result in suspension or expulsion of students.
3. An explanation of how the school will take into account the rights of students with disabilities in regard to these actions that may or must lead to suspension and expulsion.
4. Policies and procedures disseminating due process rights, including grievance procedures, for when a student is suspended or expelled.

Q168. Describe the governance structure of the proposed charter school, including the governing board's functions, primary duties, roles, and responsibilities as it relates to overseeing the charter school. Include how the board will recruit, hire, and supervise the lead administrator.

Q169. Describe the size, current and desired composition, powers, and duties of the governing board.

Q170. Describe the founding board’s individual and collective qualifications for implementing the school design successfully, including capacity in such areas as school leadership, administration, and governance; curriculum, instruction, and assessment; performance management; and parent/community engagement.

Q171. Explain how this governance structure and composition will help ensure that

1. The school will be an educational and operational success;
2. The board will evaluate the success of the school and school leader; and
3. There will be active and effective representation of key stakeholders, including parents.

Q172. Explain the procedure by which the founding board members have been recruited and selected. If a position is vacant, how and on what timeline will new members be recruited and added to the board?

Q173. Describe the group’s ties to and/or knowledge of the target community.

Q174. Outline the strategic board calendar detailing how often the board will meet according to the bylaws established.

Q175. What kinds of orientation or training will new board members receive, and what kinds of ongoing professional development will existing board members receive? The plan for training and development should include a timetable, specific topics to be addressed, and requirements for participation.

Q176. Describe the board's ethical standards and procedures for identifying and addressing conflicts of interest. Identify any existing relationships that could pose actual or perceived conflicts if the application is approved; discuss specific steps that the board will take to avoid any actual conflicts and to mitigate perceived conflicts.

Q177. Explain the decision-making processes the board will use to develop school policies.

Q178. Describe any advisory bodies, councils, or associations listed in the organization chart or to be formed, including the roles and duties of that body, and the reporting structure as it relates to the school's governing body and leadership.

Q179. Discuss the school's grievance process for parents and staff members.

Q180. Attach as Appendix G Organizational Chart

- A well-defined organizational chart showing the relationship of the Board of Directors to the parents and staff of the proposed charter school. This chart should also include lines of authority to and from any outside entity that will play a role in managing or supporting the charter school (such as educational service providers, advisory bodies, or parent/teacher councils).

Q189.Provide a description of the relationship that will exist between the charter school employees and the school’s board of directors.

Q190.Outline the board's procedures for hiring and dismissing school personnel, including conducting criminal background checks.

Q191.Outline the school's proposed salary range and employment benefits for all levels of employment.

Q192.Provide the procedures for handling employee grievances and/or termination.

Q193.Identify any positions that will have dual responsibilities and the funding source for each position.

Q194.Describe the plans to have qualified staffing adequate for the anticipated special needs population and means for providing qualified staffing for EL and gifted students.

Q195.Provide a narrative detailing the roles and responsibilities, qualifications, and appropriate licenses that each position must have to be hired by the school’s board of directors and effectively perform the job function(s).

11.4. Staff Evaluations and Professional Development

Q196. Identify the positions responsible for maintaining teacher license requirements and professional development.

Q197. Provide a detailed plan noting how the school will mentor, retain and evaluate staff in a format that matches the school's mission and educational program. The plan should also describe how the school will meet the teacher certification and licensure requirements for teachers as prescribed by state and federal law. Be sure this overview matches with the projected staff and funding of the proposed budget section.

Q198. Describe the core components of the professional development plan and how these components will support the effective implementation of the educational program. Describe the extent to which professional development will be conducted internally or externally and will be individualized or uniform.

Q199. Provide a schedule and explanation of professional development that will take place prior to the school opening. Explain what will be covered during this induction period and how teachers will be prepared to deliver any unique or particularly challenging aspects of the curriculum and instructional methods.

Q200. Describe the expected number of days/hours for professional development throughout the school year, and explain how the school's calendar, daily schedule, and staffing structure accommodate this plan.

11.5. Marketing, Recruitment, and Enrollment

Reaching the full capacity for enrollment will be critical to obtaining the necessary financial resources to keep your school viable and operating efficiently. In addition, it is required by law that charter schools provide equal access to all students. Read the charter school state statute regarding admissions 115C-218.45 carefully.

Q201. Marketing Plan Marketing to potential students and parents is vital to the survival of a charter school. Provide a plan indicating how the school will market to potential students and parents in order to reasonably reflect the racial/ethnic and demographic composition of the district in which the charter school will be located or of the special population the school seeks to serve: (G.S.115C-218.45(e)).

Q202. Describe how parents and other members of the community will be informed about the school.

Q203. Describe your plan to recruit students during the planning year, including the strategies, activities, events, and responsible parties. Include a timeline and plan for student recruitment/engagement and enrollment, with benchmarks that will indicate and demonstrate suitable recruitment and enrollment practices over time.

Q204. Describe how students will be given an equal opportunity to attend the school. Specifically, describe any plans for outreach to: families in poverty, academically low-achieving students, students with disabilities, English learners, and other students at-risk of academic failure. If your school has a specific area of focus, describe the plan to market that focus.

Q205. What established community organizations would you target for marketing and recruitment?

11.6. Parent and Community Involvement

Q206. Describe how you will communicate with and engage parents and community members from the time that the school is approved through opening.

Q207. Describe how you will engage parents in the life of the public charter school. Explain the plan for building engaging partnerships between the family and school that strengthen support for student learning.

Q208. If already identified, describe any programs you will offer to parents and/or the community and how they may benefit students and support the school mission and vision.

11.7. Admissions Policy

Q209. **Weighted Lottery** Does your school plan to use a weighted lottery? The State Board of Education may approve an applicant's request to utilize a special weighted, or otherwise limited, lottery in certain circumstances. If the charter applicant wishes to deviate in any way from the open lottery normally utilized by charter schools, the following requirements must be met:

1. In no event may a lottery process illegally discriminate against a student on the basis of race, religion, ethnicity, gender, or disability.
2. A lottery process may not be based upon geographic boundaries, such as zip code or current public school attendance zones, unless the charter school is operated by a municipality OR the charter school was converted from a traditional public school. Municipal charter schools may give enrollment priority to domiciliaries of the

municipality in which the school is located (G.S. 115C-218.45(f)(7)), and charter schools that were converted from traditional public schools shall give admission preference to students who reside within the former attendance area of the school (G.S. 115C-218.45(c)).

3. A lottery process that deviates from the standard lottery must be based upon the school's unique mission and must be based upon educationally, psychometrically, and legally sound practices, protocol, and research.

Yes

No

Q210. Please provide the following: 1) A thorough explanation of how the specific mission of the school, as set forth in the application, requires the utilization of the weighted or limited lottery

Q211.2) A thorough description of the processes and procedures the applicant intends to use to effectuate the lottery.

Q212.3) The underlying research, pedagogical, educational, psychometric, and legal, that supports the request and the procedures the applicant is requesting.

Q213. Provide the school's proposed policies and the procedures for admitting students to the proposed charter school, including:

1. Tentative dates for the open enrollment application period, enrollment deadlines and procedures. *Please be advised schools cannot accept applications until after final approval from the SBE.
2. Clear policies and procedures detailing the open enrollment lottery plan, including policies regarding statutory permitted student enrollment preferences.
3. Clear policies and procedures for student waiting lists, withdrawals, re-enrollment, and transfers.
4. Explanation of the purpose of any pre-admission activities (if any) for students or

parents.

5. Clear policies and procedures for student withdrawals and transfers.

12. Operations

12.1. Transportation Plan

Q216. Describe in detail the transportation plan that will ensure that no child is denied access to the school due to lack of transportation. Include budgetary assumptions and the impact of transportation on the overall budget. The details of this plan should align with the mission, identified need for the charter school, targeted student population, and the budget proposal. If you plan to provide transportation, include the following:

1. Describe the plan for oversight of transportation options (e.g., whether the school will provide its own transportation, contract out for transportation, attempt to contract with a district, or a combination thereof) and who on the staff will provide this daily oversight.
2. Describe how the school will transport students with special transportation needs and how that will impact your budget.
3. Describe how the school will ensure compliance with state and federal laws and regulations related to transportation services

12.2. School Lunch Plan

Q217. Describe in detail the school lunch plan that will ensure that no child is lacking a daily meal. The details of this plan should align with the targeted student population and school budget proposal. If the school intends to participate in the National School Lunch Program, include the following components in the response:

1. How the school will comply with applicable local, state, and federal guidelines and regulations;
2. Any plans to meet the needs of low-income students; and
3. Include how the school intends to collect free- and reduced-price lunch information from qualified families. If a school intends to participate in the Community Eligibility Provision, describe the methodology the school will use to determine eligibility.

12.3. Civil Liability and Insurance

The Nonprofit shall name the SBE as an Additional Named Insured to their liability coverage for operation of a charter school while obtaining and maintaining insurance at a minimum in the following amounts:

1. Errors and Omissions: one million dollars (\$1,000,000) per occurrence;
2. General Liability: one million dollars (\$1,000,000) per occurrence;
3. Property Insurance: For owned building and contents, including boiler and machinery coverage, if owned;
4. Crime Coverage: no less than two hundred fifty thousand dollars (\$250,000) to cover employee theft and dishonesty;
5. Automobile Liability: one million dollars (\$1,000,000) per occurrence; and
6. Workers' Compensation: as specified by Chapter 97 of NC General Statute, Workers' Compensation Law

12.5. Start-Up Plan

Q221. Provide a detailed start-up plan for the proposed school, specifying tasks, timelines, and responsible individuals (including compensation for those individuals, if applicable).

Q222. Describe what the board anticipates will be the challenges of starting a new school and how it expects to address these challenges. Submit a Start-up (Year 0) Budget as Appendix O, if applicable.

12.6. Facility

Note that the SBE may approve a charter school prior to the school's obtaining a facility; however, students may not attend school and no funds will be allocated until the school has obtained a valid Certificate of Occupancy for Educational use to the Office of Charter Schools.

Q223.What is your plan to obtain a building? Identify specific steps the board will take to acquire a facility and obtain the Educational Certificate of Occupancy. Present a timeline with reasonable assumptions for facility selection, requisition, state fire marshal and health inspections, and occupation.

Q224.Describe the school's facility needs based on the educational program and projected enrollment, including: number of classrooms, square footage per classroom, classroom types, common areas, overall square footage, and amenities. Discuss both short-term and long-term facility plans. Demonstrate that the estimate included in your budget is reasonable.

Q225.Describe school facility needs, including: science labs, art room, computer labs, library/media center, performance/dance room, gymnasium and athletic facilities, auditorium, main office and satellite offices, workroom/copy room, supplies/storage, teacher workrooms, and other spaces.

Q226.What is the breakdown of cost per square foot for the proposed facility? Outline how this cost is comparable to the commercial and educational spaces for the proposed school location.

Q227.Facility Contingency Plan: Describe the method of finding a facility if the one the board has identified will not be ready by the time the public charter school will be opening. Include information regarding the immediate spatial needs of the school and identify any programs that will not be immediately offered because a permanent facility has yet to open.

Q228.Describe the board's capacity and experience in facilities acquisition and

management, including managing build-out and/or renovations, as applicable.

13. Financial Plan

13.1. Charter School Budget

All budgets should balance indicating strong budgetary skills. Any negative fund balances will, more than likely, generate additional questions by those evaluating the application. If the applicant is depending on other funding sources or working capital to balance the operating budget, please provide documentation such as signed statements from donors, foundations, bank documents, etc., on the commitment of these funds. If these figures are loans, the repayment needs to be explained in the narrative and found within the budget projections.

Q231. If applicable, attach as Appendix M: Revenue Assurances. Assurances are needed to confirm the commitment of any additional sources of revenue.

13.2. Budget Narrative

Please include additional information that explains the assumptions used in the 5-year budget.

Q233. How was the student enrollment number projected?

Q234. Provide an explanation as to why you believe there is a demand for the school that

will meet this enrollment projection.

Q235. Provide the break-even point of student enrollment.

Q236. Discuss the school's contingency plan to meet financial needs if anticipated revenues are not received or are lower than estimated.

Q237. Does the budget rely on sources of funds other than state, county, and federal (e.g., loans, donations, etc.)? If so, please provide the source and amount. Also, describe any committed contributions and in-kind donations of goods or services to be received by the charter school that will assist in evaluating the financial viability of the school. Clearly indicate between those grants or in-kind donations which have already been firmly committed and those the board is planning to pursue. Be sure that the appropriate assurances documentation is provided in the appendices.

Q238. Provide the student to teacher ratio that the budget is built on.

Q239. Describe the board's individual and collective qualifications and capacity for implementing the financial plan successfully.

Q240. Describe how one or more high needs students with disabilities might affect the budget and your plan to meet student needs that might be more than anticipated.

Q241. If there is a plan to outsource any or all financial management areas such as

payroll, benefits, audits, fundraising, accounting, etc., provide a statement on how the vendors will be selected and how the board will oversee their activities to ensure fidelity and compliance.

Q242. Does the school intend to contract for services such as student accounting and financial services, exceptional children instructional support, custodial, etc? Describe the criteria and procedures for the selection of contractors and large purchases.

Q243. Explain how the budget aligns with the school's mission, curricular offerings, transportation plans, and facility needs.

Q244. What percentage of expenditures will be the school's goal for a general fund balance? Describe how the school will develop the fund balance.

Q245. Provide a description of proposed financing structure. Include financing of facilities, other asset financing, and leases.

Q246. Will the school have assets from other sources (e.g. building, furniture, chairs, computers, etc.)? If yes, please provide a list. Note which are secured and which are anticipated, and include evidence of commitment for any assets on which the school's core operation depends.

13.3. Financial Compliance

Q247. How will the school ensure adequate internal controls, including segregation of duties, safeguarding of assets, accurate and adequate record keeping?

Q248. Provide any known or possible related party transactions (relationship, description of transaction, and estimated dollars involved).

Q249. Provide the name of the firm approved by the NC Local Government Commission (LGC) that will conduct the audit. Include the complete mailing address, telephone number, and fax number. If a firm has yet to be identified, please list the firms the board has investigated.
