

Stipulation Schools CSRB Presentation

February 10, 2025

Learning Today ~ Leading Tomorrow

School Improvement Plan

Monroe Charter Academy must submit to the Charter School, a three-year plan designed to improve instruction at the school and address all other deficiencies that have been cited by the Charter School Office at that school during the last two academic years.

Academic Growth Standards

Meet or exceed academic growth in at least 2 of the next 3 years.

Board and Leadership Training

All members of the school's Board of Directors and its school leadership team, must participate in 5 training session annually.

All teachers working at the school must receive meaningful training by an experienced educational professional on how to improve instructional outcomes for students.

Financial & Legal Compliance

No financial compliance warnings.

Comply with all legal requirements in its delivery of educational services, including compliance with federal exceptional children's laws and regulations.
